ABOUT

AFRICANICITY INVESTMENT GROUP

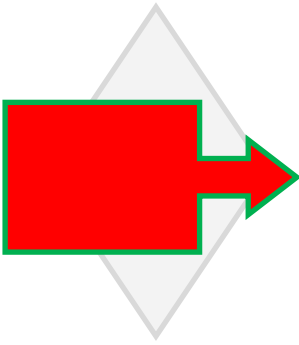

Welcome to Africanicity Investment Group, your trusted partner for a comprehensive range of services. We are 100% black South African owned consulting and project management company with a clear mission of providing solutions to the petroleum and liquid fuels industry.

Africanicity Investment Group (Pty) Ltd is a leading consulting and project management company specializing in petroleum and liquid fuels infrastructure developments. We are the top consultants in petroleum licensing, environmental authorization, town planning and road engineering for petroleum and liquid fuels infrastructure projects.

We provide expert solutions to support businesses in various industries. With our expertise in consulting, mining, project management, licensing, logistics, recruitment, and mineral trading, we are committed to driving your success.

At Africanicity Investment Group, we are dedicated to delivering exceptional services and exceeding client expectations. Our team of professionals is committed to your success and will work closely with you to achieve your goals.

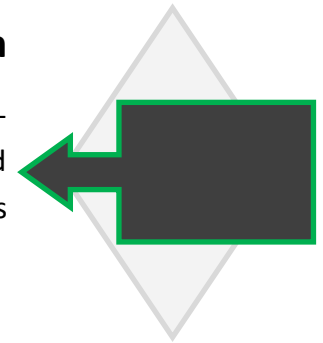

Our Vision

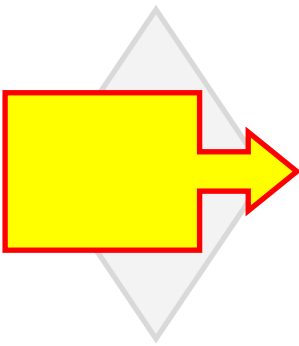

To be the leading catalyst for sustainable development and prosperity across Africa's energy and natural resources sectors, driving innovation, fostering partnerships, and empowering communities.

Our Mission

At Africanicity Investment Group, our mission is to revolutionize the energy and natural resources landscape in Africa by providing comprehensive licensing, approval, and compliance services

Our Values

Health, Safety, Security, and Environmental Consciousness: We are committed to maintaining safe working conditions, protecting the environment, and minimizing our ecological footprint through sustainable practices.

Honesty and Integrity: We uphold the highest standards of honesty, transparency, and ethical conduct in all our interactions.

No Shortcuts: We believe in doing things right the first time, without compromising on quality or safety.

Ethics and Compliance Partnership: We are committed to conducting our business ethically and in compliance with all applicable laws, regulations, and standards.

LEADERSHIP

Africanicity Investment Group is a distinguished organization with a reputation for excellence in the mining, petroleum, gas, energy, and licensing industries. Our company boasts a highly skilled and qualified team dedicated to delivering top-notch services to our clients. Our team combines extensive expertise in these sectors to ensure client satisfaction and industry leadership.

Our team members are not only professionals in their respective fields but also leaders who have contributed significantly to the advancement of industry practices. They have been instrumental in building robust stakeholder relationships and championing sustainable development across South Africa's energy and natural resources sectors.

At Africanicity Investment Group, we pride ourselves on our strong commitment to enhancing industry standards and driving impactful change. Our collaborative approach and dedication to excellence make us a trusted partner in the industry, ensuring that our clients receive the highest level of service and support.

COMMUNITY IMPACT

In alignment with our ethos of social responsibility, we actively invest in initiatives that address pressing social challenges and promote holistic development. From supporting education and healthcare initiatives to spearheading community development projects, we are committed to creating a positive and lasting impact on the lives of individuals and communities across South Africa.

STRONG ADHERENCE TO COMPLIANCE

At Africanicity Investment Group, safety is paramount in all aspects of our operations. As your trusted partner, we are unwavering in our commitment to ensuring the highest standards of safety across every project and consultation we undertake. With a firm belief that safety is non-negotiable, we integrate rigorous safety protocols and practices into our consulting and project management endeavors within the petroleum, liquid fuels industry and all other services for the safety of our employees and the communities.

EMPLOYMENT OPPORTUNITIES

In essence, Africanicity Investment Group's approach to employment is rooted in a deep sense of purpose and a steadfast commitment to advancing the socio-economic inclusion and empowerment of historically disadvantaged South Africans. By fostering an environment of opportunity, empowerment, and shared prosperity, we strive to build a more equitable and resilient society for present and future generations.

OUR MAIN SERVICES

Petroleum and Gas Licensing and permit Services: Africanicity Investment Group specializes in assisting clients in obtaining licenses for petroleum and gas exploration, production, and distribution projects. This includes obtaining import and export permits for petroleum services through the International Trade Administration Commission of South Africa (ITAC).

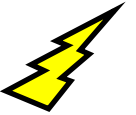

NERSA Storage Approval Services: We provide expert support in obtaining storage approval from the National Energy Regulator of South Africa (NERSA) for various energy storage projects.

Petroleum Pipeline Approval Services: Our comprehensive services cover all aspects of obtaining approval for petroleum pipeline projects.

Mining Licensing Compliance and Services: Africanicity Investment Group offers end-to-end support for mining licensing, compliance, and regulatory affairs.

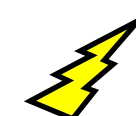

Application for Access to Transnet Petroleum Pipeline: We facilitate the application process for access to Transnet Petroleum Pipeline, ensuring seamless integration into the pipeline infrastructure network.

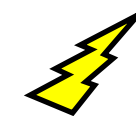

Difference Compliance Services: Whether it's regulatory compliance, environmental compliance, or industry-specific standards, our team provides comprehensive solutions to ensure adherence to legal requirements and best practices.

Logistics Services: Our services include transportation management, warehousing, inventory optimization, and supply chain consulting for seamless movement of goods and materials to optimize efficiency and reduce costs.

Training Services: We provide customized training programs designed to enhance the skills and knowledge of professionals working in the energy and natural resources sectors. Our training offerings cover a wide range of topics, including regulatory compliance, project management, safety protocols, and technical skills development.

Supply of Petroleum Products: Africanicity Investment Group also offers supply services for petroleum products, ensuring a reliable and consistent source of fuel for our clients.

We are committed to serve and grow.

Discover the comprehensive and specialized services provided by Affricanicity Investment Group. No one does it like us. We are well equipped to carry out large projects and high profile clients.

MORE ON PETROLIUM SERVICES

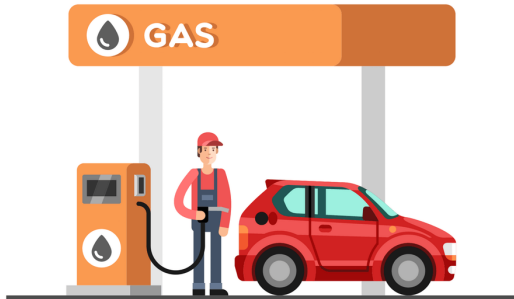

- **Wholesale, Retail and Manufacturing License Application:** Your new business plans and Fuel Industry Franchise applications must be done by professionals like us. No entity may sell petroleum and gas products without the required license from the department of energy.
- **Buy or Sell a Petroleum business:** If the existing business property is sold to a new owner, the existing site license can be transferred relatively easily, but a proper transfer application must be submitted to the Department of Energy. That's where we come in.

- **Annual License Submissions:** The Petroleum Products Act requires all license holders to submit their annual licenses to the Department of Energy. We are here to help you properly process these annual renewal applications.
- **Appeal to rejected Licenses:** We can assist you with appealing to the previously rejected applications.

- **Amendments to existing Licenses:** We can help you amend your license if ever you require amendment to the existing license.
- **Net Present Value Calculations:** Our experience helps us to understand and determine the value of your project

WHY CHOOSE US?

We pledge to serve our customers with a professional approach and dedication to all projects committed to us.

We Strive to:

- **Facilitate Growth:** Empower businesses to navigate regulatory complexities and secure licenses for petroleum, gas, and mining projects, unlocking opportunities for growth and investment in Africa's abundant resources.
- **Ensure Compliance:** Uphold the highest standards of regulatory compliance, transparency, and ethical conduct in all our operations, ensuring the sustainable and responsible development of energy and mining projects.
- **Accelerate Approvals:** Streamline approval processes for NERSA storage, petroleum pipeline projects, mining licenses, and other regulatory requirements, minimizing delays and expediting project timelines to drive economic progress.
- **Promote Sustainability:** Champion environmentally sound practices and renewable energy solutions, promoting the transition towards a low-carbon economy and minimizing the ecological footprint of energy and resource extraction activities.
- **Empower Communities:** Engage with local stakeholders, indigenous communities, and government authorities to foster inclusive development, capacity building, and socio-economic empowerment in regions where we operate.
- **Forge Partnerships:** Cultivate strategic partnerships with industry leaders, government agencies, and civil society organizations to leverage collective expertise, resources, and networks, driving collaborative solutions for Africa's energy and natural resources challenges.
- **Drive Innovation:** Harness cutting-edge technologies, data analytics, and best practices to drive innovation and efficiency in licensing, compliance, and approval processes, positioning Africanicity Investment Group as a pioneer in the industry.
